

Scores of Steel

Flashcards customised for Aqua Rezia

Scan summary

Number of questions you answered = 62

Your total score is = 23923

Number of words you passed = 19

Number of words that you took too long to decide = 0

Following is your customised flashcard deck. Words are marked using the following legend. You should concentrate on the words marked with a +. The words marked with = need to be revised less frequently. If you miss any of the words marked with -, it's an indication that you're slipping.

+ Indicates words tougher than your proficiency level.

= Indicates words in your proficiency level.

- Indicates words lower than your proficiency level.
